RE: Staff Report

Federal Stimulus Package Report at MCAC Meeting

As a reminder, the presentation of the federal stimulus package will be given on February 10 just prior to the MCAC meeting, here in the MetroCenter auditorium. Staff will present the proposed projects submitted by the congestion management agencies and the requirements of the program. The meeting will begin at 3:15 p.m. and will last for 45 minutes. Information on the meeting will be sent out as soon as it's available. We hope you are all able to attend.

Transportation 2035 Adoption Process

Thanks to those who could participate in the last Joint Advisor Workshop on the Transportation 2035 Plan and Environmental Impact Report (EIR) held January 7. Your comments will be presented to the Planning Committee on February 13. Any additional written comment needs e-mailing to me by February 2 at 4 p.m. for the EIR, and by March 2 at 4 p.m. for the plan. The plan is scheduled for adoption by the Commission at its March 25 meeting.

New EDAC Member

Please welcome new EDAC member Suzanne Levine who is representing the disabled community in San Francisco, and will join us at our next meeting. Ms. Levine works in the Mayor's Office on Disability as a GIS specialist. She hopes to bring to EDAC her professional experience and interest in creating transportation solutions for persons with disabilities.
